## REPUBLICANS OF 3RD WARD TO ENTERTAIN

COUNTY CANDIDATES WILL BE  
GUESTS AT BIG PARTY  
OCT. 30TH

## PUBLIC IS INVITED

Dancing And Refreshments Will  
Be Enjoyed At Saddle  
Hall Affair

A social function, to which all of the Republican voters of the city are invited, is to be held at the Saddle Hall on Thursday evening, October 30th, when the Third Ward Republican club will be the host at a Halloween celebration.

This party was originally scheduled to be held at the Bird park pavilion and was so announced through this paper, but owing to some confusion between the park's renting agency, the park board, and others, the Third Ward Republicans have been compelled to seek other quarters for their festivities. It should be borne in mind the Third Ward Republican club's Halloween party has no connection with that of the park dedication on the following night.

The entire membership of the organization is functioning on various committees to make the Third Ward Republican club party a success and some of the very best of the city's entertainers have already consented to assist on that evening. The committee on music reports that they have secured an orchestra that is going to "knock the dancers off their feet" and the kitchen committee announce the cider and cake are going to make everybody feel a hundred years younger.

All of the Republican county candidates with their ladies have agreed to attend the party, which like all Third Ward Republican club affairs, will be an old-fashioned neighborhood get-together. Fred D. Kamp, president of the organization, and Roy Marquart, the secretary, insist there will be no speeches on the part of anybody and that the politicians for once will have to depend upon their smiles and handshakes for any good will they obtain from the gathering.

The gathering is to be purely one of good will and is being promoted that the Third Ward voters may have an opportunity to find out what kind of officials, and neighbors, we are going to have in the court house. All of the Third Ward Republican club membership, and that includes over 500 voters, will be on hand to serve as a reception committee to the visitors from other parts of the city.

## SIXTH WIFE OF PERRY IS HER BELIEF

MUCH SOUGHT SLAYER OF  
MRS. HACKETT HAD STILL  
ANOTHER WIFE

## TEXAS WOMAN'S CLAIM

Alleges She Married Fugitive Under  
The Name Of Adams,  
Now Being Held

Midland, Tex., Oct. 18.—(AP)—Mrs. Love E. Remington of Midland had reason to believe today she was a sixth "wife" of George (Jiggs) Perry, sought by Wisconsin authorities as the slayer of one of five other women he allegedly married and abandoned.

Mrs. Remington related last night her marital venture with "George C. Adams," now believed under arrest in Harrison, Ark., and tentatively identified as Perry.

She said she became acquainted with Adams through an "Agency" while living at Fort Worth, and corresponded with him regularly for several months before meeting him in Durant, Okla., several months ago, and marrying him.

Subsequently, they returned to Fort Worth and upon his insistence, she allowed him to dispose of her property. She learned afterward that he had sold for \$4,800 property worth several times that amount.

The couple went to Chicago and on May 14, registered at the La Salle hotel. There her "husband" left her, she said, telling her to open the door to anyone except for a signal knock Mrs. Remington said she never saw him again.

She returned to Fort Worth and started proceedings to attempt to regain her property.

When search began for the slayer of Mrs. Cora Belle Hackett in Wisconsin and Texas papers printed pictures of Perry, Mrs. Remington saw a resemblance between Perry and the man she had married. Their faces were similar, she said.

Recently she followed closely newspaper accounts of experiences of other women "married" by Perry and expressed to her relatives the opinion that Perry and "Adams" were the same man.

She asserted her husband continually gave her drugged poisons from the time he met her until he abandoned her.

Mrs. Remington resumed the name of her first husband, although not divorced from Adams.

## 2 ALLEGED YEGGS HELD UNDER BOND

PRELIMINARY HEARING FOR  
2 MEN ARRESTED LAST  
THURSDAY

## BONDS ARE \$5,000

E. H. DeLude Arrested For Failure  
To Report Name And  
Address After Accident

Fred Jackson, alias Stetson, Boston, Mass., and Carl Kreger, Ann Arbor, Mich., who were arrested early Thursday morning by police officers and who yesterday confessed to breaking into the office of the Luehrs Coal company, last evening were ordered held for the grand jury.

Preliminary hearing was held in the police court before Judge Bert L. Fitzgerald who fixed the bonds at \$5,000 each. As the prisoners were unable to furnish bond, they were taken to the county jail.

When first arrested Jackson gave his name as Stetson and was booked at police headquarters under that name. In his confession yesterday, however, he gave his real name. He and his companion made signed statements telling of their breaking into the Baron-Huot Oil company bulk station but were arrested on their way there. They also admitted breaking into a tool house of the Illinois Central railway for the purpose of getting a sledge hammer to use in the burglaries.

The arrests were made by Tom Cantlin and Owen Sullivan, night police officers. The tools were found in the possession of the confessed burglars.

Charged with violating Section 41-A of the Illinois State Motor Vehicle Law by failing to report his name and address after an automobile accident, E. H. DeLude, Kankakee, was arrested early this morning by Officers Henry Endres and Cantlin. He was released on bond this morning by Judge Bert L. Fitzgerald and is scheduled to appear in the police court Monday morning at 9 o'clock.

Charles Huber, route one, Kankakee, was arrested last evening by Police Officers Ed Inman and Henry Endres on a charge of driving an automobile while under the influence of liquor. He was fined \$100 and costs today by Judge Fitzgerald and, not being able to pay, was sent to the county jail.

Charles Christa, 566 North Adams street, was arrested this morning by C. A. Nelson, New York Central railway officer, on a charge of stealing coal from the railway yards.

## N. J. ZIENER TO SPEAK BEFORE TULSA MEETING

N. J. Ziener, secretary of the Kankakee Chamber of Commerce, has received a special request from the board of directors of the National Secretaries' association to give an address at the National Secretaries' convention in Tulsa, Okla., next week, describing in detail the methods of operation of the Kankakee Chamber of Commerce.

Information of the success attained by the Kankakee chamber during the last two and one-half years has spread all over the country, and there is little doubt that the Kankakee chamber is the largest, or one of a very few organizations that are the most active and successful, and have the biggest membership of chambers in communities of comparable size.

The phenomenal success of the Kankakee chamber during the past few years has been the result of applying proper organization rules and principles. The Kankakee chamber has, on many occasions, been highly complimented upon their initiating the step of having agriculture, labor, the professions, business and industry at large directly represented on the board of directors.

From a publicity standpoint, it will be a big asset to Kankakee in having Mr. Ziener appear before the National Secretaries' convention where over 2000 of the most active cities in the country will be represented by chamber of commerce officials. The National Secretaries' convention convenes in Tulsa on Sunday, October 19, and adjourns on Thursday, October 23.

## ROMY HAMMES NEXT LEADER OF KIWANIS?

HIS NAME LEADS BALLOT TO  
BE VOTED UPON AT  
NOV. 3 MEET

## AN ACTIVE WORKER

Has Been Sponsor Of Movement  
For Relief Of Unemployed  
This Winter

Romy J. Hammes may be the next president of the Kankakee Kiwanis club. His election seems likely as a result of the official ballot prepared by the club's committee on elections which will be submitted to a vote of the entire membership on Monday, Nov. 3.

Although he joined the Kiwanis club only a year ago, Mr. Hammes has been very active in the club's affairs and has shown an energetic willingness to work. He has charge of all Kiwanis meeting programs and was also the sponsor of the unemployed here, this winter which other organizations of the city have joined in so heartily. He is the head of the Romy J. Hammes, Inc., Ford agency.

A. R. Beard, principal of the Gallagher school, has been nominated as vice president by the election committee. Ralph E. Francis, the present president, is nominated as trustee. The following have been nominated as directors, seven of whom will be elected: B. A. Plant, Claude M. Granger, E. M. Curtis, C. L. Markert, W. C. Babst, W. I. Holcomb, Dr. E. L. Dr. Ralph Hinton, managing officer of the new Manteno state hospital for the insane, will be the speaker at next Monday's meeting of the club in McBroom's cafe. The Kiwanians have decided to economize on the weekly luncheon so that they will have more money to contribute to the needy families during the winter. They have dropped from a 75 cent meal to a 50 cent luncheon. The saving on each member's meal will be placed in the fund for unemployed relief.

The meeting Oct. 27 will be in the nature of a Halloween program and will be in charge of the stunt committee. At the Nov. 3 meeting the club will be addressed by Dr. George Ruhle, son of Mr. and Mrs. Christian Ruhle of this city. Dr. Ruhle has served a number of years in the government forestry division as a ranger in the national parks in the far west.

## Y PROVIDES MANY VARIED ACTIVITIES

ALL BOYS FROM 10 TO 60  
FIND ENJOYMENT AND  
HEALTH THERE

## MANY GYM CLASSES

Groups For Young Boys, Working Boys, Young Men, Business Men And Others

The Y gymnasium is a busy place for all ages. With a program which provides activities for boys and men ranging from 10 years old up to well past 60. The Y physical department presents many varied kinds of program and recreation activities.

The youngest group using the Y are the "preps," a division of boys 10 and 11 years of age. These boys are scheduled in gym and swimming each Wednesday afternoon and Saturday morning. There are also lively associations and club meetings for this group.

The next division is called the "juniors," for boys 12, 13 and 14 years old. These boys come to the Y building on Tuesday afternoons and Saturday mornings for gym and swimming. They also use the club rooms and games in the afternoons and evenings every week. The boys who carry papers or do other work after school are organized into a special group called "employed boys," meeting in the gym Tuesday and Thursday evenings at 7 o'clock with swimming classes scheduled at 8. There are about 250 boys in the above mentioned division using the building at least twice a week.

Special classes are organized for tumbling, boxing and swimming for those that desire advanced work.

Another peppy group using the Y, M. C. A. privileges are young men from 16 to 20. This group uses the gym and swimming pool at any hour during the day from 9 in the morning until 9:30 p. m. with regular scheduled classes on Tuesday and Thursday evenings at 8 o'clock. This group also have special classes in boxing, wrestling, heavy apparatus and basketball.

The basketball team from this group were the local champions last year but were eliminated in the state tournament, after a very hard fought game in which the boys gave good account of themselves. About 150 young men comprise this group. The young men's swimming team, under the direction of Max Jaffee won the swimming championship of the Aurora District defeating teams from Pontiac, Streator, Aurora and Joliet. This is the third straight year that the local paddlers have come out victorious.

The representative boxing team under the guidance of Ralph Atterberry had a very successful season, winning the district title their first time in competition. The boys were successful in winning two bouts, finishing second in two bouts and third in another.

The business men's group meet for gym activities on Monday, Tuesday, Thursday and Friday at 6:30 p. m. After a very strenuous setting-up exercise they taper off with volley ball. This is one of the liveliest groups in the entire Y. M. C. A. membership, and they are bigger "kids" than the ten-year-olds. They also have the privilege of working out at any time during the day. Besides this the Y. M. C. A. conducts various leagues such as industrial playground and indoor baseball, grade school track meets and each spring a community swimming campaign in which several hundred boys are taught to swim free of charge. Besides this there are a number of hikes scheduled during the season and the Kankakee people are familiar with the wonderful spirit displayed by the Y. M. C. A. Knot-Lole gang in baseball as well as football.

The local Y. M. C. A. is conducting one of the most complete physical programs of any Y. M. C. A. in the state. This department is under the direction of Q. L. Agnew and is ably assisted by the physical committee and volunteer leaders. Physical committee—Donald Gray, chairman; Max Jaffee, swimming; Ralph Atterberry, boxing; Sanford Laasera, basketball; Myron Thompson and Edward Brinkstall, volley ball; Dr. Edward Hamilton, health education, and also P. W. Worth.

FLIGHT LIEUTENANT HILL,

FORD-SMITH, LANDS

## RACE TO AUSTRALIA

Forced Landing At Batavia,  
Javanese Plane To Over-  
take And Is Damaged

Sidney, N. S. W., Oct. 18.—(AP)—A message from Keopang, Island of Timor, tonight said that Wing Commander Charles Kingsford Smith turned back from his trip across the Timor sea to port Darwin, Northern Australia, and had landed at Atamboro Harbor. His return to Atamboro presumably preceded his reaching port Darwin today.

Batavia, Java, Oct. 18.—(AP)—Disaster today overtook flight Lieutenant C. W. Hill on the last lap of his 10,000 mile air race with Wing Commander Charles Kingsford-Smith to beat the 15 1/2 day record between England and Australia set by Bert Hinkler.

Hill, a full day ahead of Hinkler's record, and well ahead of Kingsford-Smith who left England four days after did, made a forced landing on the seashore this morning between Keopang and Atapoepe, in Timor. In attempting to take off again for Port Darwin his machine turned over and the engine was damaged precluding his continuing at once. Hill was not injured.

Although he was more than a day behind Hill at the time of the mishap, as a consequence of it Kingsford-Smith, veteran of both Atlantic and Pacific flights, had a last minute victory almost within his grasp. He was expected hourly at Port Darwin.

Meanwhile Captain F. R. Matthews, who left Croydon Sept. 16 on a lone flight to Australia, reached Port Darwin, Matthews, who taught Amy Johnson, woman holder of the Inter-Continental record, how to fly, has been dogged by a series of accidents since he left here, including four forced landings and many hours delay.

Kingsford Smith left Heston Air-drome, London, at 5:30 a. m. Thursday, Oct. 9. Hill left Lympne Air-drome, near Flikestone at 6:00 a. m. Oct. 5.

Columbus, O., Oct. 18.—(AP)—Miss Laura Ingalls, holder of the East-West Trans-Continental women's record, set out from Columbus at 7:04 a. m. today for New York on the last lap of her attempt to establish a new lady bird record for that route.

Columbus, Oct. 18.—(AP)—Robert Buck, 16-year-old Junior Trans-Continental flier, took off from Port Columbus for Newark, N. J., at 9:52 a. m. (EST) today in the last lap of his attempt to break the Junior Trans-Continental speed record. Buck said he intended flying at about 8,000 feet altitude where he will encounter a 67-mile an hour tail wind.

## MRS. LYTLE GETS DECREE OF DIVORCE

ACCUSES HUSBAND OF INFEL-  
DELITY; AWARDED \$20  
A WEEK ALIMONY

## OTHER COURT NEWS

Two Criminal Cases, Lawrence  
And Ragan, Will Be Tried  
Next Week

Mrs. Stella Lytle was awarded a divorce by Judge A. W. DeSelm last evening from her husband, Leland J. Lytle, former local official of the Big Four railroad. Mrs. Lytle alleged infidelity in her bill naming a Miss Ernie O'Connell.

The Lytles were married June 7, 1919, at Indianapolis, Ind. They had two children, Leland Charles, age 9, and John Butler, age 1 1/2 years. The wife was allowed \$20 a week alimony for the support of the children and in money which she had expended herself for household expenses.

## Name Woman

The wife alleged that Lytle left her and the children on May 24 of this year and that on July 7 she caught him in a Chicago hotel with the O'Connell woman. She also alleged that he had affairs with other women. She claimed that he squandered money which belonged to her and that he did not pay the household expenses, although he drew a high salary. Lytle was discharged from his position here by the Big Four when the charges were published. He was prominent in local club life and was a noted singer.

A divorce was also granted to Mrs. Alice Nelson who accused her husband, John, of cruelty. The couple were married Feb. 14, 1929, at Knox, Ind., and separated Feb. 27 of this year. The wife was represented by Attorney John A. Mayhew.

The court also granted a foreclosure suit brought by the Commercial Mutual Life Insurance company against Harry Hyman and others. C. E. Sawyer was attorney for the plaintiff.

The case of Mrs. Lydia Thurston against the Greyhound bus line was taken from the jury late yesterday by Judge DeSelm, the same as was done in the case of Mrs. Doris Clouse against the Greyhound lines the day previously. The court ruled in favor of the plaintiff and held that papers served upon a driver of the bus in a \$10,000 damage suit were legally served and the bus line must stand trial. The bus company contended that a driver was not a legal agent of the company and that the service was not proper.

Criminal cases will be resumed in circuit court next Monday, the first case up for trial being that of Elmer Lawrence of Manteno, accused of setting fire to an automobile for the purpose of defrauding the insurance company. The only other criminal trial is that of William S. Ragan, accused of robbing the Farmers' bank of Grant Park on May 21, 1929. Ragan was brought from the Chester penitentiary to answer the Grant Park charges. His trial will follow immediately after the Lawrence case. Ragan pled not guilty yesterday and Attorney C. D. Henry was appointed by the court to defend him.

We are pleased to note that our friend Mrs. Henry Juere returned home from the St. Mary's Hospital at Kankakee, Sunday, although Mrs. Juere is far from being well, yet she is very much improved in health and her many relatives and friends and especially her husband was very welcome without her at home.

Mr. Harry Englehardt, is again laid up with a severe injury on his foot, which he received while in Kankakee recently. Details are not given, but never the less we are sorry for Harry as only a short time ago, he had an infection in his foot, caused from a rusty nail, which he received while at work on a road job for the company.

## Thieves Gain Nothing.

The two grocery stores, F. J. Schroeder Cash Grocery and Louis E. Stassen Grocery and Meat Market were robbed on Tuesday evening about 12 o'clock in both attempts they made their way into the stores by cutting glasses in the doors and windows. In the Schroeder store they cut a glass and unlocked the door and in the Stassen store, they came through a window that had been boarded inside with braces. But their attempt in securing much money was in vain, as they only got about 50 cents in pennies at Schroeder's and molested nothing else, and at Stassen's some small change not certain how much, and you see it was all "money" they were after.
